

# Castine Golf Club

---

June 6, 2020

To All Resident Families in Castine, Penobscot, and Brooksville:

The Castine Golf Club is again offering junior programs in tennis, sailing, and golf to residents of Castine, Penobscot, and Brooksville beginning the week of June 22nd. Attached is the registration form which must be returned by mail to CGC, PO Box 34, Castine, ME 04421 or dropped off at the Golf Pro Shop at the corner of Battle and Main by Monday, June 15th. Also attached are the precautions due to COVID-19 that CGC/CYC have developed in accordance with State of Maine guidelines. Further, all children will be required to have spent at least 14 days in their homes and communities in Maine before participating in CGC programs.

Due to COVID-19 protocols, the class size of the programs will be significantly reduced. Each of the activities will do their best to accommodate each applicant, but we cannot provide any assurance that an applicant will be able to participate in their selected activities.

We hope to have a safe and fun summer.

Sincerely,

Castine Golf Club
